

TERMS & CONDITIONS

LIMITATIONS OF LIABILITY OF LABORATORY

Yale respectfully points out that as its prices are never proportionate to the value of the film negatives, positives, originals, and video tapes entrusted to it. Customer's films and tapes are received, developed, printed, transferred and stored by Yale only at the customer's risk. Yale does not accept responsibility for any loss or damage of any films or tapes delivered to it by or for the customers for any amount in excess or the replacement value of the raw films or blank tapes involved. Yale will exercise reasonable care and will exert its best efforts to produce high quality work hereunder, but does not make any warranty nor does it assume any responsibility as to the character or quality of the material or service to be furnished or provided by it hereunder, nor as to the results of any of its undertaking hereunder. Yale recommends that the customer insure all films against all risks. Yale shall not be liable for loss of any kind whatsoever due to delays or failure in performance caused directly or indirectly by acts of nature, strikes, failure of transportation, damage or accident to machinery or equipment, electric power failure, injury or damage to, or loss of films or tapes delivered to this company by customer, or any cause. Yale is not liable for orders left over thirty (30) days.

LABORATORY LIEN IN FILMS

Films & tapes delivered to this company are accepted upon the express condition that Yale holds a lien thereon for general balance due Yale from the customer, whether in respect to processing, printing, video transfer, services, or otherwise.

ALL PROCESSING PAID IN ADVANCE.
